

# DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) Hillary Hobbs for the month of April. Hillary is a transportation coordinator/DSP at RGHI. Hillary has worked as a DSP since 2004. She got started in the field thanks to her cousin, who recommended a job in the field! Throughout her work experience there have been several supervisors that have been a mentor for her and helped her grow in the field.

Hillary's favorite part of being a DSP is knowing that she made someone's day brighter and that she has made a difference in their life! Hillary enjoys working with the individuals served towards their goals. When someone achieves a goal, being able to witness their pride and the look on their face, is very rewarding!

In her free time, Hillary enjoys reading, hiking, and spending time in the mountains in Tennessee!

Thank you, Hillary, for all you do to support people in Warren County! If you would like to nominate a DSP for the spotlight, please visit us at
