

DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) Jill Allen for the month of August. Jill has been a DSP for 15 years! She began in the field by watching her mom who was also a DSP in the same facility. She saw the love and passion she had caring for individuals. Her mom has served as a mentor to her in the field. When working with her individuals, Jill loves to spend time fixing their hair, playing games, and learning what they like and what makes them happy. She loves caring for the individuals and seeing the smiles on their faces, because their happiness is contagious. When she is not working as a DSP, Jill enjoys relaxing and spending time with her family. She also enjoys reading a good book and listening to classic rock. Thank you Jill for all you do to support people in Warren County! If you would like to nominate a DSP for the spotlight, please visit us at <https://www.warrencountydd.org/provider-toolkit>.
