

DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) Kaitlyn Patterson this month. Her mom worked for Warren County all of Kaitlyn's life, so she has grown up around the field. Kaitlyn started working as a DSP in 2009 with a residential agency. She now works in an ADS program. Throughout her career, Hillary Hobbs has been a mentor and taught her so many things in the field.

Kaitlyn's favorite part of being a DSP is being able to put a smile on everyone's face! Her favorite things to do with the people she works with is trying new things, going to the library, and going to the movies!

In Kaitlyn's free time she enjoys playing video games and trying new restaurants! Her supervisor, Jenny, states "the individuals love her and are always excited to see her when they come in!"

Thank you, Kaitlyn, for all you do to support the people served in Warren County!
