

DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) **Cathy Moon** for the month of December! Cathy has been a direct support professional for six years and is currently employed as a Lead Support Associate by RMS of Ohio.

Diana Pearson, of RMS of Ohio, said, "Cathy is very serious about her job and always puts the consumers first before her own needs. She works 50-60 hours a week and will often come in during her off days. She has done a great job as the Lead Support Associate, and we look forward to the many great ideas she has to improve our services."

Cathy enjoys doing things with the people she serves including cooking, dancing, and activities like shopping, going to the movies and the library. Her favorite part of being a DSP is meeting people with different personalities and getting to know them by spending time with them and building relationships. Thank you for all you do, Cathy!
