

DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) **Kazan McKinney** for the month of January. Kazan has been a direct support professional for two years.

Kazan loves to take the people she serves to new places and to do the things that they enjoy. One of her favorite things is to have fun with them and to be a part of their learning process by watching them learn new things.

Kazan was nominated by Randy and Tracy Rapin, the parents of one of the people Kazan serves. They said of Kazan, "We love her, we trust her. She is such a gentle and kind soul! We adore her, she is the best! She is a blessing to our lives!!!"

In her free time, Kazan enjoys marking places off of her bucket list, hiking, reading and spending time with her family and friends. Thank you for all you do Kazan!
