

DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) Camille Kay for the month of January. Camille has been a DSP for almost 2 years! Camille has worked in nursing homes prior to starting with Fairview Home. She loves to see people smile and to know people are taken care of. Her favorite thing to do with the individuals she works with is to make them laugh or help calm them down. She loves playing games like Uno, poker, and playing games on the phone/tablets with them and teaching them how to do laundry or cook. Camille's favorite part about being a DSP is letting the individuals she works with know they can always come to her for anything. Being a DSP is definitely different and hands on with so many things. She loves going home at the end of the day knowing she gave her best and her job was done fully. In her free time, she likes to go for a walk/run at the park. She loves to be outdoors. She also enjoys painting and watching movies. Thank you Camille for all you do to support people in Warren County! If you would like
