

DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) Ben Moore! Ben's sister has developmental disabilities so he took classes to learn more about how he could have a positive affect on her life. He enjoyed the classes and watching his sister grow and he knew that he wanted to do this work! Ben started working in the field in 2004.

Tony Mitchell and Lisa Hoffman at RCC have been great mentors for Ben! He states, "Tony's patience and leadership are unmatched and Lisa's knowledge and willingness to help has been awesome!"

Ben's favorite part of being a DSP is the people he supports teach him something new regularly! He wakes up and looks forward to his work day, "Being a DSP is the best job I've ever had!" He really enjoys going to the YMCA with one individual to play basketball. When they first started going, the person he works with was taking it easy on him, but Ben told him to bring his 'A' game, and now outshines Ben on the court!

In Ben's free time he enjoys going to Spring Valley Firing range for recreational shooting!

Thank you, Ben, for all you do to support people in Warren County!
