

DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) Teresa Hatton for the month of July!

Teresa has always enjoyed helping people and wanted a career where she was able to make a difference in people's lives! Teresa has worked as a DSP for 9 years. Teresa's favorite part of being a DSP is knowing that she is helping someone, and seeing their face light up with gratitude! Teresa said, "The best thing is helping and supporting them so they can become more independent!" Teresa enjoys taking the individuals she supports into the community and trying new things that they have not tried before! In her free time, Teresa, enjoys spending time with her kids and granddaughter! She also enjoys reading and shopping.

Scott and Kathy Kincaid nominated Teresa and they said, "She genuinely cares for these men and keeps the families aware of what is going on with them. We can call her anytime with questions. She keeps the holidays special for everyone in the house!"

Thank you, Teresa, for all you do to support people in Warren County!
