

# DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) Tara Jones!

Tara was introduced into the field by her father who did transportation for 25 years. She started as his bus assistant then became a DSP. Tara has worked as a DSP for 22 years!

Tara stated there is not one person in particular that stands out to her as a mentor. She said “the DD community is filled with genuine care, concern, and hope, and I am honored to be a part of that!” Her favorite part of being a DSP is being able to work around all the happy souls. With everything that goes on in the world, it is refreshing to be around people that are always happy, smiling, and optimistic.

In her free time, Tara enjoys relaxing at home with a good book or spending time with family!

Tara’s Supervisor Gayle states that Tara is always there when needed. Gayle said “even at the last minute she comes through for us and helps in every way she can!”

Thank you, Tara, for all you do to support the people served in Warren County!
