

DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) **Teresa Hatton** for the month of March. Teresa has been a direct support professional for 8 years. She began in the field by taking an opportunity to help someone with developmental disabilities in their home for a few hours in the evening and it has been her passion since. During her time in the field, Kyong Nelson has stood out to her as a mentor. She said of Kyong: "Kyong has done nothing but help me and teach me to become the caregiver I am today". Teresa loves that she is able to be a part of the daily lives of the people she serves and that she can help them to reach their full potential. In her free time, Teresa enjoys spending time with her two girls. She also enjoys attending church and bible study with her clients on Sundays. Rebecca Bryant said of Teresa: "Teresa goes above and beyond with getting to know the clients she serves. She develops meaningful relationships...She gives diverse care to meet her client's individual needs and always does it with a smile and a laugh".

Thank you for all you do, Teresa, to support people in Warren County!
