

DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) Andi O'Malley for the month of March. Andi has been in the field for 13 years, and currently works as a job coach. She began in the field through the inspiration of her mother in law who was a nurse at Brookside for over 30 years. Andi loves to help the people she serves to overcome what they fear. Jamie Jewett said of Andi, "She builds amazing relationships with community employers and consistently strives to bring out the best qualities in the individuals she works with". Andi's favorite part of being a DSP is that she gets to watch the personal growth of each person she works with. In her free time, Andi loves to hike, dance, garden, ride BMX bikes, draw, play sports with her kids, and to do anything in nature. Thank you Andi for all you do to support people in Warren County!
