

DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) Jeremy Harris for the month of October. His stepmom, Nancy, is a social worker and introduced him to the field. Jeremy is new to the field and has worked as a DSP for 6 months!

Since Jeremy is newer to the field, he said he does not have a specific mentor but he stated, "I am absolutely amazed with the care and compassion of my immediate co-workers!" His favorite part of being a DSP is just caring for the individuals he serves. Jeremy has been a firefighter/paramedic for 15 years and caring for people comes naturally, but this allows him to be more involved in people's lives! He said, "You don't find this kind of genuine appreciation anywhere else!" Jeremy's favorite thing about his job is greeting the individuals in the morning when he has been off working at the firehouse. The individuals truly miss him and greet him with a smiling face. He knows he has made a great impact for them to miss him.

Jeremy was nominated by Maggie Satterthwaite. She said, "Jeremy is incredibly helpful, he cares about everyone, and has such a huge heart!"

In Jeremy's free time he enjoys being outdoors with his dog Timber and his girlfriend, Jennifer. They like to hike and take Jeep rides, explore new places, and find new adventures! Baseball is also a passion of Jeremy's and he enjoys going to baseball games!

Thank you, Jeremy, for all you do to support people in Warren County!
