

DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) Jeff Hill for the month of September. Jeff has been a DSP for two years. He got his start in the field by having a desire to help people. He wanted to get people with disabilities not only out into the community but out into nature as well. Over the years, Chris Benton has become a mentor to Jeff. Chris is constantly helping everybody in any way that he can. Jeff loves to take the people he serves hiking, walking through the creeks, as well as looking for fossils and cool rocks. He also loves to teach them how to cook, especially on a grill. When asked what his favorite part of being a DSP is, he said “I really enjoy taking my guys out into the community and having them be a part of something, and also I really enjoy seeing them happy.” In his free time, Jeff enjoys hiking, camping, fishing, fossil/arrowhead hunting, and video games. Thank you Jeff for all you do to support people in Warren County! If you would like to nominate a DSP for the spotlight, please visit us at <https://www.warrencountydd.org/provider-toolkit>.
