

DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) Lesa Newton for the month of September. Lesa was looking for a change and started working in this field. She has worked in the field for 16 years!

Throughout her work experience, she has many people that have been a mentor to her including, Joan Stevens, Truda Lindner, Jessica Johnson, and many more! Lesa's favorite part of being a DSP is watching the people she serves grow and be independent! She enjoys vacations with the individuals she works with and to see them experiencing new places. Lesa also enjoys teaching them how to cook and use new recipes. Lesa says, "They are family to me!"

In her free time, she enjoys visiting Sanibel Island, hanging out with her friends, and being the best 'Lala' she can to Braxton, Bryson, Princeton, and Kamille! Lesa stated she loves her job and the individuals she works with!

Thank you, Lesa, for all you do to support people in Warren County!
