

DSP SPOTLIGHT!

We are pleased to spotlight DSP (Direct Support Professional) Sydney Larson!

Sydney was interested in working in the field after she saw how much her friend Grace loved her job. She has worked in the field for a year and a half!

Someone who is a great mentor for her is, Melissa Estep. Melissa truly wants what is best for the people they serve and goes out of her way to go above and beyond for them.

Sydney loves being able to form genuine friendships with the people she works with. She stays in contact with them, even when she is not working!

Sydney loves listening to music, having dance parties, going on walks, and trying new things with the people she works with. In her free time, she enjoys reading and playing sports with her family and friends.

Melissa said, “She puts what the person wants first, takes him on outings, plays video games with him, and shows him compassion!”

Thank you, Sydney, for all you do to support the people served in Warren County!
