Accessibility Time at Cincinnati Art Museum

Also called Autism Family Exploration

953 Eden Park, Cincinnati, OH 45202 (513) 721-2787

Join us for a time of exploring the Cincinnati Art Museum. Enjoy art exhibits as well as hands on activities between 9 and 11.

This program is designed for families with children who have autism or other developmental disabilities to explore the museum in a comfortable environment. Upon arrival, families will be given a map of the museum indicating multisensory learning centers. Each learning center is led by a specially trained docent and explores a different gallery. Be sure to stop by the Rosenthal Education Center to participate in an all-ability art making activity.

COST: Free!

Open to families with children ages 6 to 13 enrolled in services provided by the Warren County Board of Developmental Disabilities. This is a family event and siblings are welcome. This event is facilitated by Capabilities through a contract with the Warren County Board of Developmental Disabilities.
